CITY OF CARMEL-BY-THE-SEA

COMMUNITY PLANNING AND BUILDING

REVIEW OF DEVELOPMENT ASSOCIATED WITH MALPASO WATER

PURPOSE: Any development application filed with the City of Carmel By The Sea relying on a water entitlement purchased or to be purchased from the Malpaso Water Company for use in the City of Carmel-by-the-Sea should meet with City planning staff to verify that such development is qualified to use the water entitlement as intended. For example, a water entitlement purchased from the Malpaso Water Company cannot be used to support any application to subdivide property. This form does not constitute a project approval or land use entitlement.

INSTRUCTIONS: Include a brief description of how you intend to use the water entitlement purchased or to be purchased from Malpaso Water Company. Planning staff will meet with you to discuss the proposal and determine whether the water entitlement could potentially be used as intended. This document shall be signed by the property owner or their representative and City staff to verify that the proposal has been reviewed. This signed document shall be provided to the Malpaso Water Company.

PROJECT DESCRIPTION: Provide a brief description of how you intend to use the water entitlement from the Malpaso Water Company:
