WHEREAS, the City of Carmel-by-the-Sea retained Revenue and Cost Specialists, LLC, to prepare the "Fee Study Update Report" to identify the City's reasonable costs borne for providing services; the beneficiaries of those services, and the revenues generated by those paying fees for receiving services; and

WHEREAS, the City wishes to comply with both the letter and the spirit of Article XIII B of the California Constitution and limit the growth of taxes; and,

WHEREAS, the intent of the fee study is to review the relationship between fees/charges and the cost of providing services in accordance with City Financial Policies (Policy C94-01); and

WHEREAS, pursuant to Government Code Section 66016, the specific fees to be charged for services must be adopted by the City Council by Resolution, after providing notice and holding a public hearing; and,

WHEREAS, a notice of public hearing has been published in the Carmel Pine Cone on April 17, 2020 and May 1, 2020 respectively per California Government Code Section 6062a, oral and written presentations made and received, and the required public hearing held on May 5, 2020.
