

CARMEL DEVELOPMENT PROCESS

2024 WORKSHOP

FEBRUARY 27TH OR 29TH

11:00 AM TO 1:00 PM BOTH DAYS

What to Expect

The City of Carmel-by-the-Sea is hosting a workshop for all individuals to join and educate themselves regarding recent improvements and updates to the development process.

This meeting will cover a range of topics including new policies, the array of permits issued by the departments, the required documentation for obtaining these permits, and guidance on using all of the online resources currently available, including electronic permitting!

Development professionals and residents alike are encouraged to register for this free event!

A **FREE** light lunch will be included.
