The purpose of this provision is to provide for compensation of an employee who is properly assigned in writing to perform the significant duties of a higher classified position for relief necessitated by the temporary vacancy caused by the incumbent's absence or pending the filling of a vacant position beginning on the second full pay period of such assignment and continuing for the duration of such assignment, but not to exceed six months (pursuant to CalPERS regulations).

Out of class pay will be provided when the following conditions are met:

1. There is a vacant position specifically allocated to the department.
2. The assignment will require the duties of the position to be performed by the individual for a period of not less than two (2) pay periods.
3. The class to which the employee is assigned must have a top salary step of at least 5% above the top step of the employee's current class.
4. The assignment and the duration of the assignment is made by the Department Head in writing specifying the period of the temporary assignment and is approved by the City Administrator.
