

## CANDIDATE STATEMENT

DAVE POTTER

It has been an honor serving my local community and I continue to be dedicated to public service. I believe in a collaborative approach to governance, and that all politics is local.

I am committed to preserving our heritage, making services more efficient and accessible, protecting the quality of life for our families, reducing traffic, improving public safety, and ensuring fiscal responsibility and transparency.

My community service began over 30 years ago on the Monterey Architectural Review Committee, as a Planning Commissioner, on the Monterey City Council, as a County Supervisor in District Five from 1996 - 2016, and on the California Coastal Commission for 12 years.

For 20 years I served this area on the Natividad Medical Center Board of Trustees, the Monterey Peninsula Water Management District, the Fort Ord Reuse Authority, and the Transportation Agency of Monterey County.

I have served my community with passion and integrity, and I would be honored to put my experience to work for you, as Mayor of Carmel-by-the-Sea.

I look forward to working together to move our village in a forward direction that preserves our unique resources and heritage for years to come.

I'm humbled by the long list of community members endorsing me at [www.DavePotterforMayor.com](http://www.DavePotterforMayor.com) and I ask for your vote on November 6<sup>th</sup>.
