

Name: Steve G Dallas

Age: 51

Occupation: Mayor/Businessman

When I asked for your vote for Mayor in 2016, I promised change and progress for the City in a predictable and reliable manner. Over the past 2 years - I delivered on that promise.

Accomplishments include a \$1.6-million settlement with PG&E, a 15 year contract for the Sunset Cultural Center and Forest Theater, short term rentals, addressing beach fires concerns, repaving our streets and repairing drainage problems, upgrading municipal buildings to accommodate ADA issues, obtaining the highest possible bond rating for a municipality, protecting our environment, banning all plastics, public safety and establishing a balanced budget to name a few.

I will enthusiastically continue to address community challenges, such as CalPERS obligations, public safety, forest and beach challenges, water allocation, and best tourism practices.

As your Mayor, I will always hold true to our mantra that Carmel-by-the-Sea is a residential community first and constantly strive to balance residential and business interests.

Interacting with people everyday, I am dedicated to listening to your concerns and creating solutions. I kept my promises and will continue promoting Carmel-by-the Sea as a desirable and safe place to live, work and visit.

I appreciate your vote and would be honored to continue serving as your Mayor.
