

CAROLYN HARDY

Occupation: Appointed Incumbent

In 2016, I was honored to be appointed to the City Council. In that capacity, I also serve as Carmel's representative to the Transportation Agency for Monterey County and the Monterey Salinas Transit District.

Experience matters. Living in Carmel for 32 years has provided me the institutional knowledge and historical perspective to reflect the community's concerns when dealing with difficult and controversial issues. I am dedicated to community service. Over the years, I have held leadership positions on various local nonprofit boards, served as a Carmel Cultural Commissioner and as Foreperson of the 1993 Monterey County Civil Grand Jury.

I have worked collaboratively with other Council members. Among our accomplishments: We advanced numerous significant infrastructure projects, successfully negotiated long-term theater management leases with Sunset Cultural Center, and are significantly addressing enforcement of limits on short-term rentals.

As your Council member, I recognize my obligation to ensure fiscal responsibility. I am detail oriented, apply common sense to decision making, provide critical analysis of projects, ask the tough questions, and seek solutions to the City's challenges.

I respectfully ask for your vote and pledge to continue my efforts to develop opportunities that will serve our community and build on the Council's accomplishments of the past two years.
