STATEMENT OF QUALIFICATIONS PACKAGE FOR ARCHITECTURAL, ENGINEERING,
MUNICIPAL ADMINISTRATION, AND OTHER PROFESSIONAL SERVICES

INTRODUCTION

On June 30, 2019, the City of Carmel-by-the-Sea (City) will discard all Statement of Qualifications (SOQs), letters of interest, and obsolete technical proposals currently on file. The City is now requesting new SOQs from qualified consultants to provide architectural, engineering, environmental, financial, human resources administration, planning, and various other professional services for the term, July 1, 2019 through June 30, 2021, to facilitate the implementation of the City's Capital Improvement Program (CIP), and to support a variety of other municipal services, programs, and initiatives.

When CIP projects and other municipal initiatives become funded during this term, SOQs submitted in accordance with this request may be evaluated by committee to short-list and select the best qualified consultant to provide services to the City, depending on the size and/or technical complexity of the project or initiative, funding availability, schedule constraints, and the type of services required. Most contracts are awarded on an on-call, as-needed basis. Upon selection of the best qualified firm for a given project or initiative, and/or for on-call services, the parties will meet to develop a Professional Services Agreement, including the scope of work, schedule, and fees to mutual satisfaction. A standard form of Professional Services Agreement is enclosed as Attachment 1. A Purchase Order and Notice to Proceed will be issued by the City prior to commencement of services.

This package contains all instructions and forms necessary for any interested firm to respond to the City's Request for Statements of Qualifications for the term July 1, 2019 through June 30, 2021. Firms are advised to carefully review all contents of this package. Only submittals properly completed as instructed in this package will be accepted for evaluation.

Firms interested in providing one or more of the services identified herein must complete a separate SOQ Submittal for each Service Area using the information and forms contained in this package. The package is available to download at no cost from the City's website at <https://ci.carmel.ca.us/> under "I want to submit a Proposal." Submittals will be accepted at the Department of Public Works from 8:00 am to 5:00 pm, Monday through Friday, until Friday, May 31, 2019.

Submittals shall be hand delivered as follows:

City of Carmel

Attention: Robert M. Harary, P.E., Director of Public Works

Or mailed to: P.O. Box CC, Carmel, CA 93921

SERVICE AREAS, POTENTIAL PROJECTS AND TASKS

During the term of July 1, 2019 through June 30, 2021, the City anticipates seeking consultants to provide expertise in the Service Areas listed below to support municipal services and a variety of CIP Projects as they become funded. While many consultants will be needed during this term, some potential projects may not be funded during this term. Therefore, SOQs submitted for those Service Areas may never be evaluated nor ranked. The City reserves the right to request SOQs for additional Service Areas, and/or project-specific proposals (whether or not firms are short-listed via these SOQs). The City may also perform interviews with most qualified firms.

Firms interested in providing services in any area must be the prime consultant for that service.

FREQUENTLY ASKED QUESTIONS

1. *How does our firm get consideration to provide consulting services for the City of Carmel?*

Download a Statement of Qualifications (SOQ) package from the City's Website at <https://ci.carmel.ca.us/> under "I want to submit a Proposal." Complete and submit SOQs in all Service Areas of your firm's expertise in accordance with the instruction package.

2. *If I have a question regarding preparation of an SOQ, who should I contact?*

Contact Yvette Oblander, Administrative Coordinator, via email at yoblandler@ci.carmel.ca.us

3. *Can the SOQ package be e-mailed to our firm?*

Yes. Request an SOQ packet from Yvette Oblander at yoblandler@ci.carmel.ca.us

4. *Does each submittal for a given Service Area need to be bound separately?*

Yes. Each Service Area must be a separate submission, and each of the three (3) required hard copies for each Service Area submittal must also be bound separately.

5. *When and where are the SOQs due?*

Submittals will be accepted from 8:00 am to 5:00 pm, Monday through Friday, until Friday, May 31, 2019. Submittals should be delivered to the City of Carmel, Public Works Department at Junipero, 2 SE of 4th Avenue, Carmel, CA 93921, or mailed to P.O. Box CC, Carmel, CA 93921.

6. *Can our firm submit or resubmit an SOQ after the deadline or at any other time during the July 1, 2019 through June 30, 2020 term?*

Yes, but only if a firm establishes a new local office or a previously-submitted firm has significant corporate changes (such as a merger) within the term. Routine changes in personnel are not considered significant corporate changes.

Note: If previously submitted SOQs for a Service Area have already been ranked, the late or revised SOQ will be considered for any subsequent projects requiring that Service Area. If the Service Area has not yet been ranked, the late or revised SOQ will be accepted and considered, if and when that Service Area is ranked, without penalty.

7. *What is meant by the term "local office"?*

The term "local office" implies an office located in Monterey, San Benito, San Luis Obispo, Santa Clara, or Santa Cruz Counties, with which, given its proximity, the City may be in more direct contact. If your firm does not have an office located within these counties, please identify your firm's office that is geographically closest to Carmel.

Frequently Asked Questions (Continued)

8. *When will the Service Areas be evaluated and ranked?*

If the City determines that consulting services are required and funding is available for a project, municipal program, or other initiative, or if on-call, as -needed services are required, the SOQs corresponding to the applicable Service Area will be reviewed and ranked at that time. If funding does not become available during the July 1, 2019 to June 30, 2021 term, the applicable Service Area SOQs may never be reviewed, nor ranked.

9. *What criteria is used for ranking consultants within a Service Area?*

Qualifications-based criteria will be developed on a project-specific basis. Criteria typically include, but are not limited to:

- Responsiveness to this Request for SOQs
- Qualifications and experience of key personnel
- Key personnel's experience on similar projects
- Performance on similar projects
- Organizational approach
- Project controls (quality, budget, schedule)
- Familiarity of the unique characteristics of Carmel
- Subconsultant expertise
- Specialized equipment and resources
- Reference checks

10. *Who serves on the Evaluation Committee?*

Various people will serve on Evaluation Committees to read, evaluate, and rank SOQs submitted for a given Service Area. On small projects, the Committee may consist of the City's Project Manager (who will serve as the point of contact) and another appropriate person. On larger, sensitive, or complex projects, the Committee may consist of a Project Proponent (end user), Department Director, Project Manager, funding agency representatives, private stakeholders, and/or a non-competing individual who possess technical proficiency in that Service Area.

11. *How do I find out where my firm ranked?*

As Service Areas are ranked during the July 1, 2019 through June 30, 2021 term, results will be posted on the City's website. If results are not posted on the website, they have not been ranked.

12. *Once a Service Area is ranked and posted, will subsequent projects be awarded to the next highest ranked firm?*

Maybe. When the next project in a Service Area becomes funded, a Committee will determine at that time whether or not the previous evaluation and ranking are still pertinent to the new project, or if another review and ranking will be performed for the new project. Project-specific technical proposals and/or interviews with the most qualified firms may still be required at any time.

13. *Why is the City requesting hourly rates if selection is qualifications-based, and fees cannot yet be determined until a particular project and its required scope of work are identified?*

The Committee may consider hourly rates as a preliminary gauge of the cost-effectiveness. Actual fees will be negotiated upon selection of the firm and development of the project-specific scope of work and schedule. Hourly rates will never be a primary consideration for selection.
